- **Restroom Season:** Summer months
- **Restroom Hours:** 7:00 am - Dusk
- **Additional Amenities:** Hockey rink with boards and a winter sled hill
- **Lighting:** Lights on a timer illuminate the rink for late night games or practices.
- **Total Acreage:** 3.454 acres
- **Parcel(s):** 2010002, 2010152 (Riser Energy Parcel)

General Park Description

- **Hockey Rink:** The rink is open for use in either the summer months, for inline skaters, or the winter months when it is flooded for pick-up hockey games, figure skaters and broomball. Ice time is shared between users.
- **Sled Hill:** The sled hill is available in the winter months. Sled hill conditions are contingent on the amount of snow and favorable winter weather. Bring your sled and enjoy some sledding fun in the potato flats.

History

The outdoor hockey and inline rink is a cooperative effort between the City of Antigo and the Antigo Area Youth Hockey Association. The sled hill was a vision of the City Administrator, Dale Soumis. It was made a reality in 2007 with the fill provided from the creation of the retention pond on Edison Street for Volm Bag. The total acreage for this park was expanded in 2010 due to the acquisition of the Riser Energy Parcel through the Hospital Land Exchange.

Recent Upgrades (within the past five years)

- Curb cuts were made in the fall of 2009, so a gravel parking area is available on the north side of the hockey rink.
- The hockey nets were replaced in 2010.
- Plastic sheeting was used to repair cracks and holes in the boards in 2011.
