General Park Description

Urban Fishing Pond regulated by the DNR. Designed for youth and qualifying disabled fisherman. Stocked by Trout Unlimited, Northwoods Sportsman's Club and the Antigo DNR.

Additional Amenities

4 benches, built by Levi Fernald for his Eagle Scout project, surround the perimeter of the pond.

History

Recent Upgrades (within the past five years)

- Four benches installed surrounding the retention basin that were built by Levi Fernald for an Eagle Scout Project (2010).
- Fishing pier installed 2012 (Cooperative effort spearheaded by Karl)

Future Projects/Upgrades

- Shelter facility
- Tree plantings
- See 5 year park plan matrix

Additional Notes/Comments

Remington Lake (urban fishing pond and retention basin)

Current Park Utilities

Electric: No

Gas: No

Water: No

Sewer: No

Storm water: Yes

- Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.
