

Erik Rantala, Administrator, with Langlade County Forestry and Recreation and Sarah Repp, with Antigo Park, Recreation and Cemetery Department collaborated to compile the following educational information for our residents and visitors.

“This document was funded in part by an urban forestry grant from the State of Wisconsin Department of Natural Resources Forestry Program as authorized under s. 23.097, Wis. Stat.”

Memorial Trees

We greatly appreciate donations and contributions towards our park system, which allow us to maintain and enhance facilities and community space.

A Donation towards the City of Antigo Park System can be the perfect gift for someone that is hard to buy for.

A Memorial Tree will beautify the park while leaving a lasting memory for the community and your family.

The Park, Recreation and Cemetery Department has been planting trees per the ten priority park plan that was

drafted in 2010. There is still space available to plant a memorial tree in honor or memory of someone.

Memorial Trees are \$500.00 and include a memorial plaque. Locations have been approved by the Park, Recreation and Cemetery Department and correspond to available planting sites identified in the 10 priority park plans.

If you are interested in a location or type of tree that is not listed please contact the Park, Recreation and Cemetery Department for more information (715.623.3633 extension-131 or srepp@antigo-city.org).

The cost for a standard 4" x 8" plaque is \$150.00. Plaques with additional lettering or plaques that include pictures may have an additional fee. Plaques are not required.
