# K-9 Riggs

K-9 Riggs and his partner Officer David Treleven

K-9 Riggs had his 2 year anniversary with the department this year. This year was a little different for the duo, Officer Treleven was out on a work-related knee injury for 6 months, putting him on light duty. During this time, K-9 Riggs still came to work most days to hang out with all his department friends and to get treats from the Office Staff. Eventually Officer Treleven made it back to work in time to travel back to Clare, MI for 3 days and successfully recertify as a dual purpose K-9 team. K-9 Riggs is trained in drug detection, tracking/trailing, evidence search, handler protection & suspect apprehension.

# Drug Take Back Day

Twice a year we participate in the Drug Take Back Initiative. In 2024 we collected a total of 603 pounds of prescription medication. The goal of the event is to provide a safe, convenient and responsible means of disposal.
We have a drop off box in the lobby of the Police Department for disposal throughout the year if the public is unable to attend a scheduled take back event.

# We won! Well, 2nd place that is.

We were given the opportunity to win a “radarsign” speed sign. All we needed to do was create a video and have the community vote for our video. Officers Barske & Treleven, K-9 Riggs and Detective Sgt Goeks took on the challenge! We didn’t get the top prize but we were able to purchase a radar speed sign for half off…a savings of almost $1800.
