Fences

Fence Installation Guidelines

Items Needed:

- City of Antigo Building Permit Application
  - Any fence more than 20 feet in length needs a permit
  - Fees:
    - $40 minimum
- Plot Plan to Include
  - Fence location
  - Fence height
  - All other items such as swimming pools, electrical or telephone pedestals
  - Sheds or garages and principal structure
- Fence Design Detail (drawing or picture)
  - Fence height maximum of 6 feet
  - fence height in front yard can only be 3 feet high if constructed with solid material, unless said fence causes no visual obstruction then it can be up to 4 feet (chain link, vertical bar, etc.)
  - Distance from property line
    - can be up to sideline
    - can be up to back line
- Items for Consideration
  - Drainage easements
  - Utility easements
    - fences may be constructed inside utility easement but only at property owners risk. Utility companies that do work in the easement are not responsible for fence damage or replacement
  - Vision corners
  - Property lines
  - Diggers Hotline (1-800-242-8511) or visit www.diggershotline.com
  - Access to utility boxes
  - Maintenance
